

CAREER COUNSELLING CELL

Activities under career counselling and placement cell are performed under the supervision of coordinator Mrs Swati Melkani and the members of the committee formed under the cell. A Career Corner has been established in the college where important notices and information flyers are displayed for students. The major objective behind the establishment of the career corner is to make our students updated about the important happenings in the possible areas of career and opportunities arising for them. Eminent speakers with various expertise are invited at college to deliver lectures and counselling sessions to students. Both online and offline sessions are conducted under career counselling cell.

Online Lecture by Major Vidushi Bhatt

INTERACTIVE SESSION ON WOMEN'S DAY BY PRATIBHA KRISHANYYA
